Authorized Representatives:

REsurety Markets, LLC (“REsurety Markets”) hereby provides notice that it has amended its Schedule of Fees in connection with updates to the CleanTrade platform. Pursuant to CFTC Regulation 40.6(a), these amendments will become effective **May 11, 2026**.

#### Summary of Change

REsurety Markets has amended the Schedule of Fees to include a clarifying footnote regarding the **"Fee-Paying Participant"** designation in the VPPA Transaction Fee table.

While the standard fee-paying roles remain unchanged, this amendment clarifies that Participants in the contracting phase may—by mutual written agreement and subject to prior written approval by the REsurety Markets Chief Compliance Officer—designate an alternative Fee-Paying Participant. This change is intended to provide greater commercial flexibility and efficiency in transaction structuring.

The core fee structure and pricing levels remain unchanged. You may access the amended Schedule of Fees upon its effective date at <https://resurety.com/cleantrade-regulatory-resources/>.
